# CAMDEN CATHOLIC HIGH SCHOOL

CAMDEN • NEW JERSEY

His Excellency  
THE MOST REVEREND JUSTIN JOSEPH McCARTHY, S.T.D.  
*Bishop of Camden*

*COMPLETE in Thy priest the full power of Thy ministry, and sanctify him, who has been provided with the ornaments of full dignity, with the dew of the divine authority.*

Ceremony of Consecration

## *Dedication*

As a tribute of our filial gratitude we dedicate the 1958 *Cathedral Spire* to you, our Most Reverend Bishop. During the short year you have been shepherd of this diocese, your kindness and tender solicitude for our spiritual and temporal well-being have caused us to regard you as a loving father upon whom we can rely in all our necessities.

May our sincere loyalty and persevering practice of the doctrines of Holy Mother the Church prove that we are ever your obedient children. For you and with you we pray "MARIA ADVOCATA NOSTRA."

# *Significance of the Sign*

## *historically*

FROM THE BEGINNING of Christianity the Cross appeared in homes as an object of religious veneration. Probably it was also used by primitive Christians to distinguish one another from the pagans.

During his campaign against Maxentius, Constantine saw in the heavens a luminous cross bearing the words, "in this sign thou shalt conquer." This symbol was placed upon his banner and under its protection he defeated the enemy. To Constantine's mother, Helena, is attributed the honor of discovering the true Cross in Jerusalem.

## *liturgically*

MOST COMMONLY AND PROPERLY the words "sign of the Cross" are used of the large cross traced from forehead to breast and from shoulder to shoulder. This cross recurs many times in the liturgy of the Mass and in nearly all the ritual offices connected with the sacraments and sacramentals and in the solemn dedication of churches.

## *personally*

THE SIGN OF THE CROSS is a profession of our faith, faith in that Christ who by His death upon the Cross pointed out to us the way to eternal life. From earliest Christian times the Cross has been the symbol of the principal Christian virtue, the victory over the passions, and suffering for Christ's sake and in union with Him. As we begin and end each day with this sign, may we recall our religious training and resolve to practice our faith until we rest in our crucified Saviour.
